

## Would You Like to Host the 2012 AGM?

Following on from the successful AGM event 'A Co-operative Cluster' hosted by Community Empowerment this year, we are offering another bursary to members of Co-operatives South East to host the 2012 AGM alongside an event of their choice.

The AGM will take place on Tuesday 3rd July so if you'd like to get involved, email us [info@cooperatives-se.coop](mailto:info@cooperatives-se.coop).
